

SellerPro and FASTVERDINI announce a commercial representation agreement for the Balearic Islands

September 5, 2024

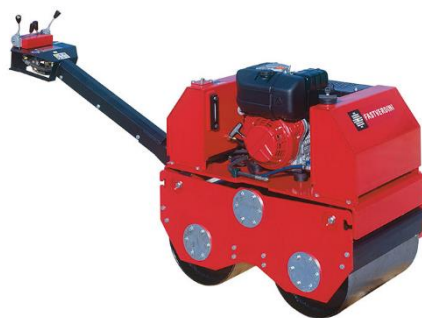

SellerPro, a prominent B2B commercial representation agency in the Balearic Islands, has signed an agreement with **FASTVERDINI**, a prestigious Italian manufacturer of machinery for construction, road maintenance, and green space management.

This alliance will enable SellerPro to represent FASTVERDINI's advanced range of products in the region, expanding its offering to the construction and landscaping sectors and reinforcing its commitment to innovation, quality, and customer satisfaction.

“We are excited to represent FASTVERDINI in the Balearic Islands. This collaboration strengthens our portfolio and allows us to explore new markets, providing the industrial sector in the Balearics with innovative, efficient, cost-effective, and sustainable solutions,” stated Joan Reus, Director of SellerPro.

For more information about the FASTVERDINI product range available through SellerPro, please visit www.sellerpro-eu.com or www.fastverdini.com.
