Date: May 2, 2024

SellerPro, a leading firm in B2B commercial representation, is delighted to announce its partnership with **IHS Tecnológicos**, the official distributor in Spain for **Bonnet**, a prestigious **French manufacturer of premium professional kitchen equipment** with over a century of market experience. This **exclusive agreement** for the **Balearic Islands** marks a significant step in our commitment to delivering top-notch innovation and quality to our clients.

Through this collaboration with Bonnet's official importer in Spain, IHS Tecnológicos, SellerPro provides privileged access to Bonnet's extensive product range in the Balearic Islands for distributors and hospitality professionals. This range includes modular kitchens, ovens, multifunctional equipment, and advanced cooking systems that offer customized solutions. This

partnership further broadens the options available to the sector, enabling them to meet their specific needs with products of the highest quality, backed by Bonnet's prestigious reputation.

"We are excited to partner with IHS Tecnológicos to bring innovative premium kitchen equipment to the

sector in the Balearic Islands", said Joan Reus, Director of SellerPro. "This collaboration strengthens our offering and provides distributors and professionals exclusive access to the quality and excellence that Bonnet machinery is known for."

With a focus on customer satisfaction and service excellence, SellerPro and IHS Tecnológicos are committed to offering customized solutions and exceptional support that drives the success of our clients in the hospitality industry. This partnership reflects our ongoing commitment to providing the tools and resources necessary for our clients to effectively achieve their business goals..
